# About US

## BLENDING BAKING WITH ENERGY

Hello, I'm Ana from Ms. Ana's Bakery. For me, the kitchen has always been a stage.

It was there that I turned my passion into a lifelong pursuit of knowledge, taking courses all over the world. From a young age, I learned that food is, above all, an expression of **care, celebration, and love.**

Today, that conviction takes on new meaning. Every product that leaves our kitchen is prepared with **Reiki** intention, **carrying light, love, and harmony with it.**

More than just a bakery, Ms. Ana's Bakery is an invitation to experience sweets that **comfort the soul, celebrate life, and spread love.** A little piece of Brazil, straight to your home.
